

"WELL, BACK TO THE GALLEYS!"

Midway News

(From Our Own Correspondent)

Mr. and Mrs. Leo Reboe of Brandon, accompanied by Mr. and Mrs. Reboe Sr., are visiting at the Thomas home.

Miss Sylvia Sawatzky will enroll as a nurse in training at Calgary General Hospital on September 3rd. We wish Miss Irene Harder much success in her teaching career; her first school will be at Poplar Creek. Mr. and Mrs. Alf Ratledge and family, which includes Madeline and Don McCulloch, spent the weekend visiting friends and relatives in the district.

Congratulations go to Mr. and Mrs. David Brown, of Grassy Lake, Alta., who are the proud parents of a baby daughter.

The United Church W.A. held its regular meeting August 28 at the home of Mrs. J. McNaughton, with 10 members and six visitors present. The ham supper was planned for November 8th. There will be no September meeting. Sunday school teachers met after the meeting and decided that classes would start at Midway, Sunday, Sept. 8 at 12 noon. Mrs. Sick, an old-timer of the district, is a patient in Didsbury hospital.

Recent visitors at the home of Mr. and Mrs. Arnold McCulloch were Mr. and Mrs. David Coult of Long Beach, Calif., and Mr. and Mrs. Ed Westling of Clive. Joining in Sunday dinner were Mrs. Annie Krebs, Mrs. Ida Jacobsen, Mr. and Mrs. Albert Krebs and family, Mr. and Mrs. Lawrence Krebs and family and Mr. and Mrs. Howard Krebs and family.

BIRTHS AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. John Archer of Didsbury, on August 29, a daughter.
To Mr. and Mrs. Don Luft of Didsbury, on September 2nd, a daughter.

Baughman - Haug Nuptials Held

Bergen United Missionary church was the scene of a pretty wedding recently when Eleanor May, only daughter of Mr. and Mrs. Trygve Haug of Bergen, became the bride of Harvey Richard Baughman, son of Mr. Earl Baughman and the late Mrs. Baughman of Bella.

The double ring ceremony was performed by the bride's uncle, Rev. Walter Gamble. Given in marriage by her father, the bride was radiant in a floor-length gown of white net and lace poised over bridal satin. Her bolero dress featured a tiny Peter Pan collar trimmed with opalescent sequins and seed pearls and lily point sleeves. The skirt was bouffant. She wore a matching chapel veil and carried a bouquet of American beauty roses. Her only jewelry was a gold locket, gift of the groom. Attending her cousin was Miss Jean Clark, who looked lovely in a floor-length gown of daffodil net and lace over taffeta, similar in style to the bride's. Her blue bou-

quet was blue carnations. The groom was attended by Mr. Leslie Blain and ushering the guests were Lloyd Baughman and Wilfred Weins.

During the signing of the register Mrs. Solveig Clark sang "A Wedding Prayer." She was accompanied by Miss Evelyn Heyer, who also played the wedding music. For her daughter's wedding Mrs. Haug chose a dress of navy blue crepe with white accessories. She wore a corsage of red roses. The bride's grandmother, Mrs. Anna Gamble, wore avocado green crystalite with mauve accessories and white carnation corsage.

A reception for 70 guests was held at the bride's parental home. The main table was centred with a three-tiered wedding cake and was laid with a hand-made cloth of white linen and crocheted lace, made by the late Mrs. Earl Baughman, the groom's mother, whose wedding anniversary was the date the young couple chose to be married.

Rev. Gamble proposed the toast to the bride. Following the groom's response, Miss Ethel Haug of Stettler sang "My Best To You." Following a honeymoon trip to Great Falls Mr. and Mrs. Baughman will make their home in Olds.

Golf Notes . . .

The Ladies' Golf Club had a big day last Thursday when ten visitors from Olds, six from Carstairs and 16 local girls took out for competition on the local nine. Play commenced at 2 p.m. and tea was served in the clubhouse during the afternoon.

Low scores went to Miss Myrtle Curry, Carstairs; Mrs. A. Siroos, Olds; Mrs. Betty McMullen, Didsbury.

The "hidden hole" (2), was won by Mrs. Helen Hammer of Olds for the visitors, and Mrs. Grace Banta for the locals.

The novelty prizes went to Mrs. Lee Street of Olds and Mrs. J. Wordie of Didsbury.

All the lady golfers have worked hard renovating the club house, with top honors for effort going to Audrey Evans for her fine job of decorating the plywood walls (with a blow torch yet).

There will be three flights in the ladies' club championship this year. Following is the first draw, with names to be completed by Sept. 12. All games are match play. Arrange your own times. Entry fee is 50 cents, payable to the drawmaster. The draw:

L. Shannon vs. M. Bankier; M. McFarquhar vs. G. Banta; A. Evans vs. M. Kaufman; Lucille Shannon vs. N. Gillrie; M. Wordie vs. G. Polkmann; H. Nicholl vs. N. Freeman; J. Kimmel vs. J. Devine; M. Allan vs. V. Currie; R. Gillrie vs. B. McMullen; J. Berscht vs. L. Tussle; H. Miller vs. R. Anderson; S. Landseid vs. J. Blain; M. Milne vs. Mrs. L. Lynch-Staunton; Mary Coulter, bye.

If there are other members of the club who have been inadvertently omitted and who are interested in playing in these competitions, they are asked to notify any member of the draw committee and games will be arranged.

THIEVES MAKE OFF WITH STORE SAFE

On Monday night of last week thieves broke into the Westward Ho General Store and made off with the firm's safe and its contents, as well as a drawer from the cash register.

Cash of about \$150 was believed to have been in the safe, along with a number of postal money order blanks.

A car was stolen from the same neighborhood and Valdez Garage was entered and a small sum of cash and some cigarettes were stolen.

MELVIN NOTES

(From Our Own Correspondent)

We are happy to report that Mrs. L. Fischer's mother, Mrs. Spurrell, who has been visiting here through a patient in Didsbury hospital, is steadily improving. Her other three daughters who came to visit her have returned to their homes. Visiting at the home of Mr. and Mrs. L. Fischer were Mr. and Mrs. W. G. Allan and family of Quebec, Mr. and Mrs. J. Reimer and family of Winnipeg and Mrs. J. MacAllan of London, Ont.

The Westcott Boy Scout Troop peaked rather a damp weekend for their camping expedition, especially since they took no tents, relying on outdoor shelter. In fact most everything was dampened but their enthusiasm (though we haven't heard of any resulting cases of pneumonia). Westcott Scouts have three patrols under the direction of Scoutmaster Don Robertson.

On Tuesday evening, August 27, a very pretty shower was held at the home of Mrs. E. Dupont Sr. in honor of Miss Geraldine Ford, bride-elect of the month. Games and contests were enjoyed and a mock wedding produced a gale of laughter. Geraldine was then seated beneath a beautifully decorated umbrella while two little girls, Elizabeth Ford and Wendy Jackson, dressed as tiny nurses, brought in a basket of gifts. After the guest of honor had expressed her grateful appreciation to her many friends, a delicious lunch was served by the hostesses.

Mrs. Rena Youngs returned to her home in Edmonton on Thursday.

Mr. Bob Youngs of Kinlesla spent the weekend with his mother.

Jim Millar Wins Golf Tournament

Jim Millar won the men's golf club championship for this year when he defeated Sam Moore in an 18-hole playoff on Sunday.

Previous to this Millar had disposed of Bob Eubank and Fred Evans, while Moore sent Jack Worde and Cliff Sorenson to the sidelines.

HAIL CLAIMS LIGHT FOR SECOND WEEK

For the second straight week hail damage has been light in Alberta, according to information released Tuesday by the Alberta Hail Insurance Board.

South West Didsbury

(From Our Own Correspondent)

Intended For Last Week
Miss Bernice Befus took in the provincial ladies' softball tournament at Lloydminster over the weekend.

Friday afternoon and supper guests of Mr. and Mrs. E. A. Bartz were Mrs. Edith Bryon and Joan of Ottawa, and Mrs. Chas. Schacht, of High River.

Thursday supper guests of Mr. and Mrs. E. A. Bartz were Mrs. Chas. Hillebrecht and Joan Brackner of Calgary.

Miss Pat McMullen of Calgary spent the long weekend with Mr. and Mrs. Fred Befus and family.

Mr. and Mrs. Cecil Webe, and family were Friday supper guests of Mr. and Mrs. Gordon Burgess and family of Calgary.

Mr. and Mrs. M. Dippel and Carole were Sunday supper guests of Mr. and Mrs. C. F. Stroud and family at Red Deer.

Mr. and Mrs. Henry Rush and family were Friday evening visitors with Mr. and Mrs. M. Dippel.

District Pioneer Dies In Calgary

Funeral services were held Saturday at 1:30 for Conrad Richard Lesmer, 74 years, of 2405 Centre St. N., who died Thursday morning in General Hospital.

Born in Midland, Ont., he came to live in Didsbury in 1902, where he farmed until 1936, when he retired and went to make his home in Calgary.

Mr. Lesmer was a member of North Hill Nazarene church.

He is survived by his wife, Susanna; two sons, Arthur and Melvin, of Calgary; three daughters, Mrs. Elba Cipperey and Mrs. Pearl Lawrence of Calgary, and Mrs. Doris Bascom of California; two brothers, Edward of Calgary and Peter of Didsbury; 18 grandchildren and four great grandchildren.

Rev. W. H. Griffin officiated in Gooder Brothers funeral chapel. Interment took place at Mountain View Memorial Gardens.

Rock sulphur pile produced from natural gas was point of interest for British American Oil directors when they visited the Company's Pincher Creek, Alberta, plant recently. Inspection of plant's several units followed regular quarterly board meeting, first to be held in Calgary.

Gov't. \$20.00 Dividend Causes Big Rush At Banks

LEAGUERS ENTERTAIN GUESTS AT OUTING

The evening of September 1st Waltham League played host to Leaguers from Trochu and Torrington, and Vicar Schmidt of Calgary. The evening was spent on an outing which began at the church, from where all left by car for the west country.

Arriving at a scenic spot, games were played. Following a rigorous hike, a camp-fire was built and the usual winners and buns were enjoyed.

To close a grand evening of Christian Fellowship, songs and hymns were sung around the camp fire.

EAST NOTES

(From Our Own Correspondent)

Mr. and Mrs. Howell, Mr. and Mrs. Alvin Baptist and family, all of Calgary; Annie McCulloch and Judy Marsh, were Sunday visitors at the home of Mr. and Mrs. Alfie Thompson and Bevelley.

Mrs. Bill Taylor and children, and the former's sister and family, were recent visitors with Mr. and Mrs. Harold Shell.

Mr. and Mrs. Larry Barry and daughter, of Calgary, spent the long weekend with the latter's sister Mrs. Schumaker and family.

Mr. and Mrs. Ormond Reiffenstein of Calgary called on the latter's parents Monday afternoon.

Mr. and Mrs. Archie Copeland and family of Calgary were Monday supper guests of Mr. and Mrs. Raymond Schumaker.

The next W.I. meeting will be held at the home of Mrs. Helvie Nelson on September 11.

Keith Haderer, who had his face burnt by a torch, is improving pretty well.

Mr. and Mrs. Pete Neufeld and boys visited Sunday with Mr. and Mrs. Otto Bittner.

Mr. and Mrs. A. Jensen of Calgary were recent visitors with Mr. and Mrs. Otto Bittner.

Mr. and Mrs. Phil Shedd, of Orillia, Ont., are spending a few days with Mr. and Mrs. Sam Elliott.

Miss Jean Elliott spent two weeks with her sister Joy and husband, at Nanton.

Norman Neufeld has returned home after a short vacation in B.C. where he visited with relatives. He has now returned to his home at Acme.

Miss Grace Weber, who is taking a business course in Calgary, spent the long weekend at home with her parents.

SPRINGSIDE NOTES

(From Our Own Correspondent)

Friday supper guests with Mr. and Mrs. George Jones were Mrs. Katie Brown of Vancouver, and Mr. and Mrs. Bob McFarlane.

Mr. and Mrs. Tom Collinge and Mr. and Mrs. Art Taylor and family of Acme, were Sunday dinner visitors with Mr. and Mrs. Bill Colling and family.

Mr. and Mrs. Verne Wrigglesworth and Mr. Ronald Keivatt attended the Gillie-Smith wedding in Innisfail on Monday.

Miss Judy Rodney visited with Marion Kershaw on Sunday.

FAMOUS QUOTE . . .

Strange, when you come to think of it, that of all the countless people who have lived before our time on this planet, not one is known in history or in legend as having died of laughter.

In Didsbury there are only two outlets where applicants for the \$20 provincial government oil and gas dividend can collect the large green spending money. Both of these banks were swamped with "free-loaders" on Tuesday and at press time Wednesday an estimated \$7500 had been handed out to eligible applicants from the two local money centres.

This figure represents only a portion of the money that will be received by people in this area as many, many more have yet to apply for the government "gift."

Both the Royal Bank and the Provincial Treasury Branch ran short of the \$20 dividends near the end of the first day of distribution and had to send out calls for more money to meet the Wednesday demand.

Other places in Alberta were no different as banks and treasury branches throughout the province experienced their busiest days yet as regards the number of customers and amounts of money passed through the window.

It was world history in the making; for it marked the first occasion that any government had paid a cash dividend to its people.

[Ed. Note: This is a continued story. They tell us there will be more of the same next month — whoops, we made a slip — it's next year in the small print!]

"MEANEAST THIEF" ROBBS DYING GIRL

The father of a young newspaper delivery girl, of North Bay, Ont., charged his daughter was robbed of her newspaper collections as she lay dying on No. 11 highway last Saturday.

The father said "the most contemptible thief I've heard of" robbed his daughter, Patricia, 13, of from \$10 to \$12.

The youngster was on the last stretch of her 10-mile delivery route when her bicycle was struck by a truck.

The father said his daughter was carrying the sum in small coins to make change for her customers.

School Registration Up From Last Year

That old motto, the school bell tolled for a new term on Tuesday morning of this week and school buses, bicycles and the ones who make it on foot were all heading for the walls of learning for another 10-month session.

Unofficial registration figures reveal that there are 53 beginners at Didsbury school this year; from grades one to six the tally is 308, and the high school classes show figures of 141 for the juniors and 109 in the upper bracket. That's a quick total of 558 students, somewhat higher than last year.

In the new term there are 23 teachers guiding the destinies of the students.

LIGHTNING BOLT "DISOLVES" PLATE

Sparky, a cat who belongs to a man who lives at Ogden, near Calgary, nearly had to go without food on Tuesday when its master played back to a lightning bolt in his back garden and was lucky to come off best.

During Tuesday evening's thunderstorm, the boss was returning to the house from the back shed with Sparky's dinner plate in hand when lightning struck the south hill like a bomb.

"The lightning was crackling and sizzling around me," said the plateholder, but it disappeared and I never did find it!

No trace of damage was found around the house and the shed was untouched. Sparky got his dinner on a new plate.

Home & School Start New Season

The first meeting of the new season of the Didsbury and District Home and School Association will be held on Monday, Sept. 9 at 8 p.m.

Mr. E. T. Wiggins, school principal, will introduce a full slate of teachers for the coming term.

Following a short business session, a social hour will be held. All parents are urged to attend and get acquainted with the teachers.

REQUIRE LICENCE

After July 31, 1957, those buying forage or cereal seed direct from producers in Alberta will require a seed dealer's licence and they must be bonded.

The regulations will apply to anyone who handles seed from producers on commission or on his own account. Employees of a licensed seed dealer need not be licensed but will require an authorization card from their employer.

DOLLAR EXCHANGE

The contemporary Canadian dollar is setting to be worth more and more and less and less at the same time. A few days ago it was valued at \$1.06 1/32 in American money; the highest since 1913.

At the same time, in goods and services to the Canadian farmer it was worth 41 cents. In 1909 the Canadian dollar was worth 90 cents in U.S. funds but it would buy 100 cents worth of goods for the farmer. — The Budget

Take Notice that the Council of the Municipal District of Mountain View No. 48, proposes to pass a by-law in accordance with the provisions of Section (85) of the TOWN AND RURAL PLANNING ACT, 1953.

The proposed by-law is required for the purpose of amending the Zoning and Building By-law of the Municipal District of Mountain View No. 48, as follows:

"Section (4) is amended by adding thereto the following:
(4a) No buildings shall be erected in Residence Districts, Local Commercial Districts or Industrial Districts at a cost of less than \$2,000.00."

A copy of the proposed by-law is deposited at the office of the Secretary-Treasurer and may be inspected there at all reasonable hours.

At 3 o'clock p.m. on the 7th day of October, 1957, the Council will hold a public hearing at Didsbury, Alberta, at which objections to the proposed by-law may be made and discussed.

Dated at Didsbury, Alberta, this 9th day of August, 1957.

J. RIDDOCH
Secretary-Treasurer,
M.D. of Mountain View No. 48,
Didsbury, Alberta

JAMES CURRIE, Editor and Publisher**Ramblin'**

and

Roamin'**And A Friendly Nod . . .**

To Ron Newsom, who handled the reins while we took a short sojourn to southern climes; he did a fine job, no less. With a sunburn and a sigh we're back in the saddle trying to catch up at the office (and incidentally, at the bank).

Just For The Record . . .

The blockade on the main road into town is one of those necessary evils as work continues on the water line to the hospital and the improved road from the east highway. A better marking of detour routes would save a lot of lost time and bad impressions to those not familiar with the easiest way 'round.

And A Friendly Nod . . .

To the town council member who came up with the idea of a free parking lot on town property. The spot in question lies just west of The Pioneer office and for years has been graced with nothing but tall grass and weeds, that flourish all during the growing season without being molested by mower or fire. It would certainly save parking congestion on busy days and dispose of an eye-sore that is no credit to the "main stem."

Just For The Record . . .

The most difficult thing in the world is to know how to do a thing and to watch somebody else doing it wrong, without comment.

ACTION STATIONS

Mrs. McTavish looked out the window as the family was going to have dinner and wailed, "Och, Jock, here comes company, and I bet they haven't eaten yet!"

"Quick!" ordered the Scotsman. "Everybody out on the porch with toothpicks."

HARVEST TIME !!

The harvest time has come again. With the promise of some golden grain; But the little word "if", it means so much.

To the farmers and the rest of us! If the weather warms up early in the Spring. The farmer will be able to get his crop in;

But if the weather stays cold and wet. The crops will be late. That you can bet!

If the weather is dry and hot. There will be a very light crop of hay;

If it rains a lot in the month of June. 'Twill likely wash off all the blooms!

If the hail should come in from the west. It will take the crop, and all the rest;

If the snow comes early in the Fall. The crops won't be worth harvesting at all!

If the farmer could sell his wheat. He could buy some coal to make some heat;

And if the farmer could sell his oats. He could buy his wife a new fur coat!

"If" — it is such a tiny word. But it never seems to bother the birds;

They fly around if it rains, or snows.

If the weather be cold, or if the wind doth blow!

So let's do the same as the birds. And make believe the word if we never heard;

The sun will be there, and ready to shine. The weather will be warm, and always be fine!

The good Lord will take care of you and me. Just like the birds and the bees;

So always look on the bright side of life. And you will never find any grief or strife!

— E. Coombes

TAKING NO CHANCES ! ! !

The census taker braved the backwoods to take count of the families. When he asked the mountaineer how many children were in the family, the man replied: "Four, an' by gosh that's all I'm gonna have."

"Why? Well, I'll tell ya. I just read in this here government almanac that every fifth child born in this world is a Chinaman."

Notes From D.A.

By HOWARD J. FULCHER

Pullets will be going into a laying house soon; be sure this house is really clean. The equipment should be removed, scraped, washed and cleaned with water and scrubbed in a lye solution. It is a good idea if possible to soak this equipment in the lye solution for some time. After this step wash the equipment and disinfect by spraying with a good disinfectant. The interior of the house can be cleaned while the equipment is out and it should be well washed, cleaned down with a lye solution, washed again and disinfected.

Special care should be taken of the roosts, nests, etc. After all this is completed the inside should be whitewashed.

In making up the lye solution, one can of lye in five gallons of water can be used. In using this lye solution it is a good idea to use rubber boots and protect your hands.

Any alterations or repairs should be made on your poultry house at this cleaning time. It is a good idea to leave the house empty if possible for ten days or two weeks before new flock is put in.

When moving birds into the house avoid rough handling as birds frightened do not adapt readily to the confinement. Pullets can be left on the range until they are laying about 10%; beyond this point they may cease production when moved.

When birds are put in the laying house if there is more than one pen, separate the birds as per their maturity. It is advisable to keep them on the same feeding as they had on the range for a while and gradually change as they become accustomed to their new quarters. To help birds become used to confinement, windows can be removed and screens or wire used in their place while weather is warm, this provides more cool air. When colder weather sets in and birds are well accustomed to confinement these can be replaced.

A little care and sanitation in putting new flocks in the laying house is good business and will pay dividends in healthier birds and higher production.

THOUGHT PROVOKING ! ! !

The trouble with people these days is that they want to get to the promised land without going thru the wilderness.

Both have a
bank account - and
a purpose for savingEach has a different objective, but both are
working on the same idea: that to get ahead
it is important to *save* ahead, too.

Your reasons for wanting to build up your bank account can be as varied as human hopes and needs . . . a vacation, your child's education, a new rug, camera equipment; or simply the deep satisfaction and sense of security that a cushion of ready cash creates.

A chartered bank is a convenient place to keep your savings safe, and to keep them growing. Whether your account is large or small, the trained and friendly staff is there to take care of all your banking needs.

Save at a bank — millions do!

YOUR DISTRICT
HOME ECONOMIST
WRITES . . .

By HELEN HOWARD

Dear Homemaker:
It's beginning to feel like summer
is fading away into autumn. If you
still have some time and energy
left for pickle making, try some
Golden Mustard pickles. They'll add
some of summer's sunshine to your
winter meals.

Golden Mustard Pickles
1 quart small silver onions
1 quart gherkins or cucumbers
cut in 1" pieces.
1 medium sized cauliflower.
2 1/2 cups white sugar.
Half cup flour.
2 tablespoons turmeric.
2 tablespoons celery seed.
1/2 cup mustard.
1 quart vinegar.
Prepare vegetables, peel onions,
cut cucumbers and cauliflower. Put
into cold brine (1/2 cup salt to 1 qt.
water). Add a pinch of alum. Allow
to stand overnight. Drain and pre-
pare sauce of other ingredients, first
mixing mustard to a thin paste with
a little cold vinegar. Combine to-
gether and cook until thick. Add
vegetables, and cook about 15 min-
utes. Seal in sterilized jars. Yield:
4 quarts.

Pear season is here again; their
peak is September 5-15. Remember
that pears do not freeze well so they
must be preserved by canning. They
make good jam too!
Here are two tasty ways to serve
pears to your family:

Paradise Pie
1 quart pears.
1/2 cup sugar.
1 tablespoon butter.
1 tablespoon lemon juice.
1 tablespoon orange juice.
1 tablespoon cornstarch.
1/2 cup of cream.
Cinnamon, nutmeg
Pastry for two-crust pie.
Combine sugar, cornstarch and
pinch each of cinnamon and nut-
meg. Stir in cream. Add lemon and
orange juices. Combine well. Line
8 inch pie pan with pastry, fill with
sliced pears. Pour over cream mix-
ture. Dot with butter. Top with lat-
tice or top crust. Bake at 425 de-
grees for 35-40 minutes. Cool. Serve
with whipped cream.

Pears a la mode
4 ripe pears.
1/2 cup sugar.
1/2 cup orange juice.
1/2 cup of water.
1 1/2 teaspoons grated orange rind.
Vanilla ice cream.
Pare, halve and core pears. Heat
sugar, orange juice and water to
boiling. Add pears. Simmer 20 min-
utes or until tender. Remove pears,
simmer syrup 5 minutes longer.
Chill. Serve pears and syrup over
ice cream.

This time of year is preserving
time and here's an old recipe pre-
serving a philosophy that might
well be followed throughout the ages:

Preserve Choice Children
Take one large grassy field.
1/2 dozen children.
2 or 3 small dogs.
Pinch of brooks and some pebbles.
Mix children and dogs well to-
gether and put them in the field,
stirring constantly. Pour the brook
over the pebbles; sprinkle the field
with flowers; spread over all a deep
blue sky and bake in the hot sun.
When thoroughly brown, remove
and set away to cool in a bath tub.
Next week some hints for mothers
whose untanned offspring will be
back to school.

CHRISTIAN SCIENCE
How spiritual perception of the
true nature of man brings growth
and progress will be set forth at
Christian Science services Sunday.
Scriptural readings in the Les-
son-Sermon on "Man" will include
the following from Acts (17:24,25):
"God that made the world and all
things therein, seeing that he is
Lord of Heaven and earth, dwelleth
not in temples made with hands;
neither is worshipped with men's
hands, as though he needed any
thing, seeing he giveth to all life,
and breath, and all things."
From "Science and Health with
Key to the Scriptures" by Mary
Baker Eddy will be read the follow-
ing (20:13): "Soul in a bath tub
brings out the possibilities of being
destroyed reliance on aught but God,
and so makes man the image of his
Maker in deed and in truth."

ANOTHER CHUCKLE
A woman's idea of keeping a
secret is refusing to tell who told
it to her.

FIGHT YOUR WAY
WITH BIBLE STUDY

It is said, on the basis of statis-
tics, that America has 8,000 new ba-
bies for breakfast every morning.
That is the rate of increase. These
babies need a diet suitable to their
age.

This week, throughout Canada,
the schools of our country re-open
after two months of vacation time.
Many are the new faces that this
week begin their formal education —
the three R's — reading, 'riting
and 'rithmetic.

But there is a fourth "R" that is
religion. It has been the practice in
our land, and a good one, that the
teaching of religion be left in the
hands of the Church and the home.
God established this rule in days of
old.

To the children of Israel God
said: "And thou shalt teach them
(the Words of God) diligently unto
thy children, and shalt talk of them
when thou sittest in thine house,
and when thou walkest by the way,
and when thou liest down, and when
thou risest up." In the New Testa-
ment God gave the charge thus:
"And ye fathers, provoke not your
children unto wrath, but bring them
up in the nurture and admonition
of the Lord."

Children are, as the Psalmist puts
it, "an heritage of the Lord." We
as parents, are vitally concerned
about their temporal welfare. For
that end we have schools. We pay
taxes, even though at times we may
grumble about them, that our chil-
dren receive an education that they
might forge ahead in the world. We
ought also to be just as vitally con-
cerned about their spiritual wel-
fare. Do we read our Bibles with
them at home? Do we take them to
Church and Sunday School—note,
take them, not just send them?

A heritage is something we cher-
ish, something precious. We guard

Westcott News

(From Our Own Correspondent)

(Intended For Last Week)
Mrs. Herbert Goetjen was admit-
ted to hospital Monday suffering
from torn ligaments in her knee.
Mrs. Rudolph Goetjen was re-
leased from hospital on Tuesday last.

A good crowd was in attendance
for the wedding dance at Rugby on
Saturday night, especially those
from the Westcott district, home
of the bride. Thanks, Eileen and
Garry for a good time.

So are our children. Thus, with
another school term beginning, will
you not also re-enroll your children
in Sunday School, bring them with
you as you faithfully attend divine
services every Sunday and speak
to them at home of their Savior;
May God use us to thus bless our
children.

This FALL for your GRASSLANDS and STUBBLE

BUY AND APPLY
ELEPHANT BRAND
NITROGEN

. . . the plant food your crop uses most
for bigger, better yields in 1958!

Your crops use more Nitrogen than any
other plant food - for example, 40 bushels of
wheat take away 41 lbs. of Nitrogen from your
soil; 2 tons of brome hay take away over 60 lbs.
of Nitrogen. This plant food must be replaced
or your crops will be starved.

Spread Elephant Brand High Nitrogen
Fertilizer* on stubble or pasture NOW! Next
Spring, even before you can get on your land,
grasslands are growing with fall-applied Nitro-
gen. Nitrogen put on stubble land this Fall
speeds decomposition and is available as vital
plant food when you seed in the Spring.

FOR GRASSLANDS

Nitrogen applied in the Fall means better
forage growth. It means pasture ready for
grazing earlier, feeds more livestock and re-
grows faster. When you can put twice as many
head on every acre, get them on the land from
3 to 4 weeks sooner in the Spring and keep them
there longer, you make more money.

What's more, forage grown with Elephant
Brand High Nitrogen Fertilizer* tastes better
and is richer in essential proteins and minerals
- you'll see the difference in fatter steers and
heifers or increased milk production!

Melting snows carry Elephant Brand High
Nitrogen Fertilizer to the root zone.

Contact your Elephant Brand agent today.

GET MORE FROM YOUR LAND WITH ELEPHANT BRAND

You can apply Elephant Brand High Nitrogen Fertilizer
with a Universal Fertilizer Attachment by running the
bottom ends of the attachment hoses from the top of the
grain ribbons . . . with a normal grain drill with the
furrows openings removed . . . or with a regular broadcast
spreader.

FOR STUBBLE

Nitrogen on stubble speeds up decomposition of
valuable crop residues. In Spring plant food from
both crop residue and Nitrogen Fertilizer is avail-
able to the new crop. Young plants benefit immedi-
ately from the readily available food in Elephant
Brand High Nitrogen Fertilizer*.

When you choose your High Nitrogen Fertilizer*
from the Elephant Brand line, you add these benefits
to your Fall-Fertilizing program.
HIGH ANALYSIS —
more plant food in each bag, best
value for your fertilizer dollar.
HIGH AVAILABILITY —
all Elephant Brand's plant food
content can be used by the growing
plant.

HIGH WATER SOLUBILITY —
dissolve readily in soil moisture
to give quick-acting, easily ab-
sorbed plant food.
FREE FLOWING —
Uniform pellet-sized granules;
fast and easy to apply.

THE LOCAL NEWSPAPER MAINTAINS ITS INFLUENCE

- How often a successful executive, far from his small-town birthplace — maintains his contacts through regular receipt of his weekly newspaper.
 - There is nothing quite like a small town weekly for neighborly news and intimate contacts.
 - People in the advertising business talk about selected audiences — sharply focused circulation. They have learned from experience that when a publication is specially edited to appeal to the specific interests of a smaller group of people, its opportunities to make sales are multiplied many times over.
 - The weekly newspaper is that kind of publication. Whether its circulation is a few hundred or a few thousand, it represents effective circulation.
 - Gather the towns-people and farm folk around you when you advertise. Surround yourself with friendly neighbors — deliver your advertising message through your local weekly newspaper.
- 58.2 Per Cent of Canada's population live in places of 10,000 or Less. THESE ARE WEEKLY NEWSPAPER MARKETS.**

DISTRICT NEWS

FALLEN TIMBER

(From Our Own Correspondent)

Kathy Pyten had the misfortune to be thrown from a horse and suffer a bad break in her left arm, that necessitated her being taken to Holy Cross hospital in Calgary. Allen Stair dislocated his elbow recently when he fell from a horse. Mr. Pat McGaffin of Edmonton and Miss Erna Rosted of Breton were weekend visitors at the home of Mr. and Mrs. Joe McGaffin.

Mrs. Johnny Howton, Danny and Jeannie, spent the week in Calgary at the home of the former's parents, Mr. and Mrs. C. B. Moore. Mrs. Lydia Teynor and Miss Margaret Moncey were co-hostesses at a Stanley Tea held recently at the home of Mr. Johnny Teynor. Mr. and Mrs. Dean Stair were recent visitors at the home of Mr. and Mrs. Johnny Howton.

A special business meeting of the U.F.W. was held in the church recently with 13 members and one visitor present. It was decided to put doors on the one Sunday school room and paint the window casings. It was also decided not to hold a meeting in September but to hold the next meeting October 5 in the evening at the home of Mrs. Lillian Adams. A letter was read from some of the missionaries: Miss Mary Frost of South America and Mr. and Mrs. C. Ketchum and Chris, of Okinawa.

A week ago Friday night an outdoor service was held by Fallen Timber church around a camp fire; after the service a Friday night took place. Then last Friday was "hobo night", or come as you are night at the church. There was over 50 in attendance and after the divine service everyone enjoyed eating corn on the cob.

Miss Anita Moncey returned home Friday evening after a week's visit in Calgary.

We hear that whooping cough is prevalent in the Elkton district.

A birthday party was held at the home of Mr. and Mrs. Bill Moncey for their son George a week ago Sunday.

Mr. Robert Moore of Calgary took his Sunday school class of senior boys of the Fallen Timber church to Banff as an award, a week ago Saturday. Those in attendance were Gordon McGaffin, Orvin Dick, Martin Moncey, Gary Moore, the teacher and his wife.

SERVICE

ROAD

NOTES

By

W. K. SNYDER

Agricultural

Service Board

GRASSING ROADSIDES: It is our earnest desire that newly-built roads with the ditches backfilled be seeded down to grass just as soon after the road building job is completed as it is practical to do. This can not always be accomplished the same year, as it takes time to work down the ground and prepare a good seed bed. About this time of year I receive enquiries about advice on the proper time to seed the grass. Grass should be seeded not later than August 1st.

This barely gives it time enough to establish a root system before freeze-up. If this has not been possible to do there is another course you may follow. Late in the fall, usually about the middle of October, this grass can be seeded. It will not germinate any more this fall but will be there and be ready to sprout early in the spring.

There is a danger however, if there should happen to be a run-off of water in the spring, some of the grass seed will be carried away. There is always a critical period of time on newly built roadsides. We want to get a good grass cover established before run-off can gully cut ditches and also before weeds establish themselves on this newly worked ground.

F.U.A. CAR INSURANCE

The Farmers' Union of Alberta is making a sincere effort to provide sound automobile insurance for all its members at cost. For many years Alberta farmers have complained about the cost and inadequacy of Alberta car insurance. The F.U.A. plan requires substantial support in order to be put into effect. It will be interesting to see how many farmers will back their talk with action and get behind their F.U.A. by insuring their cars in the plan before the deadline.

FEEDINGS

REINHARDT — STANGE

Redeemer Lutheran church, Didsbury, was the setting for a lovely 3 o'clock ceremony at which Lily May Reinhardt, daughter of Mr. and Mrs. Dan Reinhardt, of Didsbury and Alvin Allen Stange, only son of Mr. and Mrs. Frank Stange of Claresholm took their marriage vows before Rev. E. B. Fox.

Escorted to the altar banked with pink, white and deep rose peonies and masses of spring bouquets, by her father, the bride was radiant in a waltz length gown of net over satin, with a lace bodice trimmed with sequins around the scalloped neckline.

The groom skirt contained inserts of lace and her fingertip veil of pure silk was held in place by sequin and pearl studded cap which matched the gown. She carried a white Bible topped with red roses. She wore a two-strand pearl necklace, a gift of the groom and a pair of her mother's pearl earrings.

Miss Erna Beard was her sister's maid of honor. Miss Dorothy Reinhardt, sister of the bride, and Miss Patricia Stange, sister of the groom, were bridesmaids. They wore waltz length dresses in shades of turquoise crystalline, white picture hats, and white gloves, and carried bouquets of yellow mums. Best man was Mr. Melvin Muhley of Claresholm, uncle of the groom. Ushering the guests to their seats marked with deep rose peonies and white bows were Mr. Gordon Glusdale of Claresholm and Mr. Werner Reinhardt, brother of the bride.

After the bridal party had taken their places before the altar, Mr. Robert Brookwell of Calgary, sang "Today, Oh Lord" and as the bride and groom knelt at the altar he sang, "The Lord's Prayer".

Miss Katherine Folkman of Didsbury played the entire wedding music.

A reception for approximately 75 guests followed in the church basement, which was decorated with turquoise yellow and white streamers and white bells.

The bride's table was centred by a beautiful three-tiered wedding cake, decorated by Mrs. Maynard Snyder of Carstairs. The cake was flanked by lighted pale pink candles and bouquets of poodles. Rev. L. Gierbert of Claresholm was toastmaster and Mr. Melvin Muhley proposed the toast to the bride. Telegrams of best wishes were read from Stony Plain, Tacoma, Washington, and Redwood City, California.

For her daughter's wedding, Mrs. Reinhardt chose a blue-grey dress with a pink hat and a corsage of pink roses. Mrs. Stange chose a blue dress with a white hat and wore a corsage of red roses. For their honeymoon to the mountains, the bride donned a turquoise tweed suit complemented with brown accessories and a corsage of yellow roses.

Upon their return, Mr. and Mrs. Stange will reside on the farm east of Claresholm.

Out-of-town guests came from Regina, Sask.; Calgary, Edmonton, Claresholm, Granum, and Crossfield.

ANTLOPE SEASON LAID ON BY DEPARTMENT

There is an antelope season in Alberta this year outside of the Eastern Irrigation District and the British Block at Suffield. The season is November 1st to November 9th.

Only 2500 special antelope licenses will be offered for sale. Residents only are eligible for licenses. The cost is \$5.00 each.

Licenses will be sold only at Fish and Game Offices at: Edmonton, Calgary, Medicine Hat, Lethbridge, Cardston, Drumheller and Castor. Licenses will go on sale October 1st at all points. Persons wishing to obtain licenses by mail should write to the Fish and Game Commissioner, department of Lands and Forests, Natural Resources Building, Edmonton.

Applicants should give their name, address and occupation and enclose \$5.00, payable to The Provincial Treasurer.

Applications by mail will be accepted only at Edmonton and must be postmarked September 30th or later.

The above arrangement has been made to give equal opportunity to all hunters to obtain special antelope licenses.

Those postmarked earlier will not be considered.

CROPS WON'T WAIT

So it pays to have the magneto — the heart of your implement's engine — always in tiptop shape. Periodic inspection and adjustment of your ignition system will insure that it will do the long, tough jobs when they must be done... If you've a magneto beyond repair, let us replace it with a dependable and tough new WICO — the magneto you can bank on.

Coming Events

Sunday school classes will begin at St. Cyprrian's Anglican church on Sunday, Sept. 8th, at 11 a.m.

DUTKIEWICZ — DAGEFORD
The altar of Redeemer Lutheran Church, Didsbury, tastefully decorated with baskets of gladioli and sweet peas, was the scene of an afternoon wedding. Saturday, August 31 at 4 o'clock, Rev. E. B. Fox solemnized the marriage of Miss Eileen Gwendolyn Dageford and Mr. Gerald Dutkiewicz. The bride is the daughter of Mr. and Mrs. H. Dageford of Didsbury and the groom is the son of Mr. and Mrs. N. Dutkiewicz of Winnipeg.

Entering the church on the arm of her father, the bride looked radiant in a portrait floor-length dress of nylon chiffon over satin and net, trimmed with chantilly lace and pearls. The bride's fitted bodice featured a squared neckline ending in a V in the back. The short skirted sleeves were complemented by nylon chiffon gloves. The bride's hair was styled in a finger tip veil held in place by a rhinestone tiara. She carried a bouquet of red American Beauty roses. Her only jewelry was a rhinestone necklace, a gift of the groom.

Mrs. Joyce Rodway, sister of the bride, was matron of honor and wore a royal blue cocktail dress of nylon, tulle and brocade. Mrs. Jean Tucker of Edmonton and Miss Ruby Dageford of Didsbury, sisters of the bride, wore identical dresses of medium blue crystal satin while Margaret Ann Collison of Claresholm and Bernice Betus of Didsbury, wore identical cocktail dresses in light blue crystal satin. They were matching head pieces and gloves and carried bouquets of yellow daisies.

Little Debbie Rodway and Bryan Dageford, niece and nephew of the bride, were the flower girl and ring bearer. Debbie was dressed in a short yellow flocked nylon dress trimmed with lace and carried a basket of pink sweet peas with added streamers. Bryan was in a dark jacket with white trousers and wore a white carnation boutonniere. He carried the wedding ring on a white embroidered and beaded satin cushion.

Mr. Bill Jones of Black Diamond acted as best man and Lawrence Shern, Jack Meyer, Blain Slawson and Walter Tkachuk were ushers. The groom and his attendants were all attired in white dinner jackets, black trousers, black bow ties and wore white boutonnières.

While the bridal couple knelt at the altar, Mrs. D. Munro of Cremona sang "The Wedding Prayer," and during the signing of the register she sang "Because." Organist was Miss Katharine Folkmann, cousin of the bride.

Following the ceremony a reception was held in the basement of the church, with approximately 125 invited guests. The bride's table was centred with a beautiful three-tiered wedding cake on a lace dolly, and was flanked by tall pink vases and sweet peas. Mr. L. J. Daniels of Calgary acted as master of ceremonies and Rev. E. B. Fox proposed the toast to the bride.

Telegrams and cables of congratulations were received from relatives of Buffalo, New York and Winnipeg. Out-of-town guests included Mr. and Mrs. N. Dutkiewicz of Winnipeg, Mr. and Mrs. Art Stabenow of Portland, Ore.; Mr. and Mrs. Ernie Tucker and Dirk, Mr. and Mrs. S. Dutkiewicz, Mr. and Mrs. Ted Folkmann and family, Mr. and Mrs. Alderson, all of Edmonton, and Mr. and Mrs. L. J. Daniels of Calgary.

For going away the bride chose a pink sheath dress and duster to match with white accessories. After a honeymoon to Winnipeg and points in the east, the happy couple will make their home in Okotoks.

TODAY'S CHUCKLE !!!

Offer your girl friend a penny for her thoughts these days and you'll find she's thinking about a \$3.000 mink coat.
